Notes: (1) State rate and state target are based on the percent of districts whose special education rate exceeds the general education rate by more than 1.36 percentage points. (2) The LEA rate is the difference between the general education rate and special education rate. Any LEA that exceed the allowable 1.36 percentage points difference must complete a review of policies, procedures, and practices.

--	---	--	-----

Notes: (1) State rate and state target are based on the percent of districts identified as having innappropriate policies, procedures, and practices. (2) LEA rate is based on whether or not a LEA was identified as having possible disproportionality. Identification is the difference between the general education rate for all races and special education rate for specific races. Any LEA with a difference >4 percentage point is identified for a review of policies, procedures, and practices.

**EARLY CHILDHOOD OUTCOMES**

**Indicator 7: Early Childhood Outcomes**

There are two Summary Statements which are based the change between entry and exits scores for three outcome areas: (A) Social Emotional, (B) Knowledge and Skills, and (C) Appropriate Behaviors.

**Summary Statement 1:** Of those preschool children who entered the preschool program below age expectations in each Outcome, the percent who substantially increased their rate of growth by the time they turned 6 years of age or exited the program.

**Summary Statement 2:** The percent of preschool children who were functioning within age expectations in each Outcome by the time they turned 6 years of age or

**Post-School Outcomes**

**Indicator 14: Post-School Outcomes**

Percent of youth who are no longer in secondary school, had IEPs in effect at the time they left school, and were:

A. Enrolled in higher education within one year of leaving high school.

B. Enrolled in higher education or competitively employed within one year of leaving high school.

C. Enrolled in higher education or in some other postsecondary education or training program; or competitively employed or in some other employment within one year of leaving high school.
